

# Case Study

## All Bar One, Edinburgh

**Client:** Mitchell's & Butlers  
**Location:** George Street,  
Edinburgh  
**Value:** £400,000  
**Timescale:** Three weeks

## Challenge

Pacific Building were contracted to complete an extensive makeover at the All Bar One brasserie in Edinburgh, which is operated by restaurant and bar chain Mitchells Butlers plc, whose annual turnover from 1600 outlets runs to nearly £2billion.

All Bar One has been trading from its high-profile and prestigious location on George Street for a number of years, and the time had come to give it a refresh, not just to update some of the features but to ensure its appearance was in keeping with M&B's prescribed corporate image. Furthermore, the project had to be completed within an extremely tight three-week time frame.

## Approach

Liaison with partner agencies was key as Pacific drew on their vast experience of delivering to deadline and to budget. The project was commenced towards the end of May, 2018, and was handed over to the clients on June 19.

Tight, time-focused management of the contract meant that All Bar One would continue to hold its place as an upmarket brasserie on one of Scotland's premier city streets, where customers are served in a stylish and relaxing environment boasting high-quality fittings and other impressive finishes.

## Results

Plush upholstery, high-quality timbers, chunky furniture, lighting rafts and a host of other fine facets, together with a wall-mounted feature clock, give All Bar One a presence and standing in keeping with its hard-won reputation as a "place to be seen", whether for a quick drink with friends or for a relaxing, leisurely meal with family.
